Facsimile: (916) 263-2246

[www.bpelsg.ca.gov](http://www.bpelsg.ca.gov)

April 29, 2014

The final filing deadline to apply as a new applicant for the **Fall 2014** PE, PLS, Geotechnical, and Structural exams is May 1, 2014. All application materials must be postmarked on or before May 1, 2014 to be considered for fall examination. Unfortunately, the Board cannot make extensions to this deadline regardless of the reason.

Please follow these guidelines to properly submit your application and receive notification regarding the status:

**Mail the application and all materials to:**

Board for Professional Engineers, Land Surveyors, and Geologists  
2535 Capitol Oaks Drive, Suite 300  
Sacramento, CA 95833-2944

***Tracking or delivery confirmation is recommended so you know the Board has received your application.***

**Include two (2) self-addressed stamped postcards or envelopes.** The Board uses these to notify you regarding the status of your application.

*Please note: At this time due to the high volume of applications, the Board cannot entertain requests asking if an application has been received or the status of your application either through phone calls or emails. It may take 1-3 months before you hear of an approval or not. It is the Board's intent to notify you in plenty of time to register for exams if your application is approved. Your patience is greatly appreciated!*
